

**Earth Canvas - supporting young people in Regenerative Farming  
with the opportunity to attend a full Holistic Management course  
Holistic Management: A Foundation for Regeneration / January – May 2025**

**If you are interested and Under 40 years of age and would like financial support to attend this course. Tell us:**

1. Why would you like to attend Holistic Management training?
2. Why do you think it is important to Regenerate agricultural landscapes?

*Earth Canvas is a non-for-profit group of Regenerative Farmers and Artists wanting people managing landscapes to look at their business from a creative perspective. What has been revealed is a mutual creative approach and deep empathy with the landscape. And a vision for a healthier world.*
